Tony Jenkins (left) and Darryl Jeffries placed first and second respectively at High Bride Hills

High Bridge Hills is just a nice place to play golf. From the pro shop cashier, to the starter, to the refreshment cart driver, to the rangers, it seems that the staff is there to make sure you have a nice, hassle free round of golf. The golf course itself is a different story. With elevation changes, many blind landing areas and "killer" heather, the course is very unforgiving. If you keep your ball in play you will have the pleasing, hassle free round the staff encourages. On the other hand, if you stray from the safety of the fairways, your round will be anything but hassle free.

Current club champion, Tony Jenkins, usually saves his best golf for club champ weekend but he is currently on a mid season tear. He won the last Shippen Cup event at Cream Ridge and he won this High Bridge Shippen Cup major event; shooting a sizzling net 63 to win the stroke play competition and winning his individual match to collect 80 points for the day.

No slouch himself, former club champ, Darryl Jeffries, also seems to be elevating his game. Jeffries placed second in High Bridge stroke play with a net 65. Keith Kirkand, Keith Davenport and Earl Fraser all scored T3 in stroke play with net 70's.

In winning the High Bridge major event Jenkins leapfrogged from seventh place to first place in the overall Shippen Cup competition. He now leads Marlon Matthews by just a few points. So both Jenkins and Matthews are in the conversation for pulling off the rare double of winning the club championship and the Shippen Cup championship in the same season.

But with much golf left to play in the 2022 season, we can hardly say the Shippen Cup is just a two horse race. There are a number of Strikers who are currently competitive in the Shippen Cup season. Keith Kirkland is in the hunt currently in third place. Past Shippen Cup champ, Eli White, is in fourth place. Eli knows what it takes to go on a streak and take the title as he did in 2015.

Quite as it's kept, with six Shippen Cup events left to play in the 2022 season; half of them majors, anyone can still win. You just need to bring your "A" game to every event. We are looking forward to playing the always tough and tricky, Berkshire Valley on July 30. After Neshanic (8/13) and Riverview (8/20) we will play Mercer Oaks for the first time on 8/27. Then the season culminates with club champ weekend on September 10/11.
