Rucker kicks a... & takes names at Neshanic

Donald Rucker (left) and Rod LeBrew placed 1st and 2nd respectively at Neshanic Valley

I marvel sometimes that we can book a group on a Saturday at such a popular public golf course as Neshanic Valley. Then I recall last season when the Ball Strikers showed up with a full complement of players on a day when the chance of rain forecast was 100%. On this Saturday there was no rain in the forecast. As a matter of fact, the moderate temperatures, cloudy skies and occasional breeze made it a pretty good day to play golf. 31 Ball Strikers showed up to take advantage.

Donald Rucker definitely took advantage, blistering the course with a net 67 in stroke play as he lapped the field. Rod LeBrew placed second in Shippen Cup stroke play five

strokes behind the leader. Allen Smith, Marlon Matthews and Zack Yamba all placed T3 at net 74.

Rucker teamed with Errol Blake to tie their four ball match with the team of Rod LeBrew and Zack Yamba. So Rucker and LeBrew placed first and second respectively in the Neshanic Valley event.

In the overall 'Shippen Cup competition Marlon Matthews moved ahead of Tony Jenkins by a hair. The chase group behind them includes Keith Kirkland, Earl Fraser, Eli White, Allen Smith, Errol Blake, Joe Holloway, Walter Frye and Rod LeBrew. All with possibilities of taking the title with three major Shippen Cup events left on the schedule.

Up coming events: Please note that the Mercer Oaks event scheduled for August 27 has been cancelled. Mercer Oaks notified the Ball Strikers that they will be in the middle of course maintenance on that date and the course will not be suitable for competition. We were unable to retain another venue for that date. We are hoping to schedule Mercer Oaks for next season.

So the next event on the schedule is the Riverview major Shippen Cup event on August 20. After that the Ball Striker season's competition will conclude with Club Championship weekend on September 10 and 11 at The Architects'.

Due to event cancellations, Covid effects and the unusually hot weather over the this season the executive committee has decided to lower the minimum number of events a member must participate in over the 2022 season to qualify for the club champ competition to four. **That means if you participated in four events you qualify for the club champ competition (2022 season only).** Normally you must participate in 50% of the season's events to qualify.
